

Stephanie E. Saville
President, Guiding Force Consulting, LLC

Stephanie is passionate about helping nonprofit leaders transform how they collect and use data. She specializes in creating custom solutions that allow her clients to spend less time tracking data and more time using it to shape strategy.

With over 15 years of experience as a fundraising professional and 5 years as a consultant, Stephanie has worked with nonprofits across the country, including:

- Detroit Police Athletic League (PAL)
- Lighthouse Michigan
- Living Water International
- Make-A-Wish Michigan

She excels at connecting big-picture goals with the finer details using Salesforce solutions, empowering teams to confidently capture, visualize, and interpret their data.

A lifelong learner, Stephanie holds a Master of Business Administration from Davenport University and is a Salesforce Certified System Administrator. When she's not sailing the Great Lakes, she enjoys seeking new adventures with her husband and two dogs.
